**BACKGROUND:**

In June 2007, the State of Nevada, Colorado River Commission, pursuant to the Fort Mohave Valley Development Law, conveyed ownership of  $\pm 9,000$  acres of land in the Fort Mohave Valley (Fort Mohave land) to Clark County (County).

County owns  $\pm 2,596$  acres of vacant real property, commonly known as the Fort Mohave land (Assessor's Parcel Numbers 266-00-001-001, 266-00-001-009, 266-00-001-010 and portions of 266-00-002-002 and 266-00-002-003), referred to as Parcel "A", located westerly of the Needles Highway and Aha Macav Parkway, Laughlin, Nevada (Property) shown as Exhibit "A" in the attached Resolution of Intent to Lease with an Option Agreement (Resolution).

Two appraisals of the Property were prepared and the average of the two appraisals set the fair market value rent of the Property at \$489,650 annually. The expense for the appraisals will be paid from Fund 2340.

The Option Agreement to Lease shown as Exhibit "B" of the Resolution, provides for a three (3) year option period with total annual payments of \$489,650 with no annual escalations. During the option period, successful bidder may exercise the option to enter into a Lease Agreement for a period of twenty (20) years with two (2) five (5) year options to renew as shown in Exhibit "B" of the Option Agreement to Lease. Under the Lease Agreement, the winning bid amount is the rent due annually with three percent (3%) escalations on each anniversary of the Commencement Date of the Lease Agreement. Any proceeds resulting from the Option Agreement to Lease and the Lease Agreement will be deposited into the Fort Mohave Valley Development Fund.
